Experience:

10/99-03/02 — *Senior Art Director* **VertaPort, Inc.**, Dallas Texas

- Spearheaded the art department, designed the company logo and developed all graphic material for the company.
- Managed creative projects from concept to final production.
- Directed programmers in a team atmosphere in developing graphics for their utilities.
- Created, implemented, and maintained the graphics library.

12/97-10/99 — *Graphic Designer* **BAE Automated Systems, Inc.**, Carrollton, Texas

- Devised technique to replace 2D technical drawings with 3D images from Pro Engineering Design files.
- Produced and designed all the marketing communication materials, trade show materials, technical illustrations, and newsletters.
- Developed concepts for BAE, winning their largest account in 31 years.

08/96-11/97 — *Graphic Artist* **Consulting Partners, Inc.**, Dallas, Texas

- Redesigned and developed graphic material for the Consulting Partner's web page.
- Developed and created graphic material for Computer Based Training programs.
- Offsite graphic art consultant to finalize client's projects.

08/95-06/96 — *Network/Computer Consultant* **Longhorn Collision Center**, Austin, Texas

- Set up and managed new computer system and network.
- Worked in the office in any other capacity as needed.

05/95-08/95 — *Set Dresser* **Dayton Way Picture IV, Inc.**, Austin, Texas

- Worked with a team of set dressers to prepare the sets for the movie.
- Reworked and redrew pages from the original storyboards and also created drawings for the hero's room for the final shot of the project.
- Drove 15 ton moving truck to transport the sets from location to location.
